Masterson Method® Beyond Horse Massage Hands-on Seminar-Workshop

The Masterson Method® Weekend Seminar-Workshop is the next practical step to take after reading/viewing the [Beyond Horse Massage Book & DVD](#).

In this hands-on **Weekend Seminar-Workshop**, you will learn how to recognize what the horse is telling you through visual and palpable responses that enable you to get deeper releases of tension than the horse would otherwise be able to release on its own. This is a truly interactive process that results in a change in relationship and an improvement in movement and performance.

What's in it for you?

- Improved relationship and communication with your horse.
- Make your horse more relaxed and comfortable.
- Enable your horse to overcome limitations and restrictions that stand in the way of reaching his full potential.

"If you want to learn how to connect on a deeper level with horses, if you want to learn how to help your horse relax and release tension, this seminar is a must."

-M. Leahy
